Approval of Minutes

Ennis motioned to accept the minutes. Griggs seconded. Motion passed unanimously.

Old Business

Zoning Proposal

Board reviewed the staff report presented at the previous meeting and declined to participate in the coalition of groups due to lack of funds. The board understood the value of cooperative efforts on some portions of the zoning proposal they emphasized the importance of having our members speak on behalf of the Business Loop and the specific needs of this corridor.

Election Update

Gartner and Robert Hollis will meet with CJ Dykhouse and Wendy Noren to discuss election options.

New Business

I-70 Bridge Construction

Gartner presented information about the project from the public meeting. She also met with Councilman Ian Thomas and representatives from PedNet, the MO Bike Federation, MODoT, and Emery Sapp to ensure that the infrastructure changes will allow for improved bike and pedestrian access.

Directors Report

Gartner updated the board on several key issues including planning insights for corridors, a branding update, a review of her bike tour of The Loop, and an undergrounding update.

Public Comment

John Clark offered comments on the proposed zoning revisions, the I-70 bridge project, and the broadband study commissioned by the city.
