

**Business Loop Community Improvement District
Board of Directors Meeting Minutes**

Parkade Plaza
601 Business Loop 70 West
Columbia, MO 65203

Thursday, August 20, 2015
8:00 m – 9:00 am

Carrie Gartner

Present:

Cris Burnam
Gary Ennis
Vicki Kenma
Tom May
Dave Griggs
Paul Land

Guests:

Caitlin Campbell - Columbia Daily Tribune
Curtis Varnes - KMIZ
John Clark
Jen Henderson
Mike Heimos
Tom Wellman

Approval of Minutes

Ennis motioned to accept the minutes. Griggs seconded. Motion passed unanimously.

Stormwater Presentation

Heimos and Wellman of the city gave a presentation on stormwater regulations and on the importance of managing stormwater. They also presented numerous examples of how stormwater management options (like rain gardens or landscaping) can help beautify an area.

The board was interested in the definitions of redevelopment and if replatting would redefine a lot as “development.” They also discussed ways to view the entire Loop CID as a stormwater management district (rather than parcel by parcel) so that management efforts could be “banked.”

Burnam was assigned the point person for this issue and he and Gartner would set up a meeting with Mike Matthes and John Glascock on this issue.

New Business

Election

The board set aside this issue.

Directors Report

Gartner updated the board on branding/website, undergrounding of power lines, and the median adjacent to Hickman.

Public Comment

None.
